**Position Summary:** Position is responsible for studying the Earth's atmosphere to determine weather forecasts. Responsible for analyzing and interpreting meteorological data, issuing severe weather warnings to team members, and broadcasting the weather forecast over all internal communication methods. To be successful in this position individual should be able to analyze data accurately, take sound operational decisions, and work under pressure.

**Essential Duties and Responsibilities include the following, but are not limited to:**

- Analyzing and recording data from global weather stations, satellites, and radars.
- Making interpretations from the land, sea, and atmosphere patterns.
- Providing weather reports to team members.
- Applying mathematical and physical formulae and using computer modeling applications to make weather predictions.
- Researching and predicting climate changes.
- Improving weather prediction models.
- Keeping up-to-date with technological developments.

**Qualifications including Knowledge, Skills and Abilities:**

- Ability to work a varied schedule to meet the demands of the position.
- Analyzing and recording data from global weather stations, satellites, and radars.
- Making interpretations from the land, sea, and atmosphere patterns.
- Providing weather reports.

- Applying mathematical and physical formulae and using computer modeling applications to make weather predictions.
- Researching and predicting climate changes.
- Improving weather prediction models.
- Keeping up-to-date with technological developments.

**Education and Experience:**

Degree in mathematics, science, or similar

**Language Skills:**

Bilingual Spanish preferred.

**Physical Requirements:**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is regularly required to sit, talk and hear. The employee frequently is required to use hands. Must be able to lift and carry up to 25lbs.

**Work Environment:**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The noise level in the work environment is usually moderate.

**Disclaimer:**

The statements herein are intended to describe the general nature and level of work being performed by the employee in this position. The content of this job description is not intended to be constructed as an exhaustive list of all responsibilities, duties, and skills required of a person in this position.
